

ACME CLIMATE ACTION AGENCY

Date: ___ / ___ / ___

Dear (tick where appropriate) President Prime Minister MP Senator
 Congressman Mayor Counsellor Governor Mullah Dictator
 Monarch Tribal Leader Bill Gates Pope Other _____

I'm writing to inform you that I have reported your lacklustre environmental performance to Acme Climate Action. Who will be henceforward monitoring you. Your name has been entered onto the Dubious Politicians Database at www.acmeclimateaction.com for others to see and scoff.

Actions have consequences. Don't let your excessive carbon footprint let your votes and your reputation take a walk.

Here's what you can do:

- Work for a dramatic increase in energy efficiency.
- Fight for laws and policies that expand the use of renewable energy sources and reduce dependence on oil and coal.
- Help cut global warming pollution by 90 percent in developed countries and by more than half worldwide.
- Enact a moratorium on the construction of any new generating facility that burns coal without the capacity to safely trap and store the CO₂.
- Stop trying to look "folksy" while promoting toothless environmental programmes.
- Cease and desist attempting to dance.

Acme Climate Action welcomes your right to reply, but suggests that meaningful action would be a better way to restore your reputation.

Respectfully submitted,

Concerned Climate Citizen
